Ripped and Wrapped

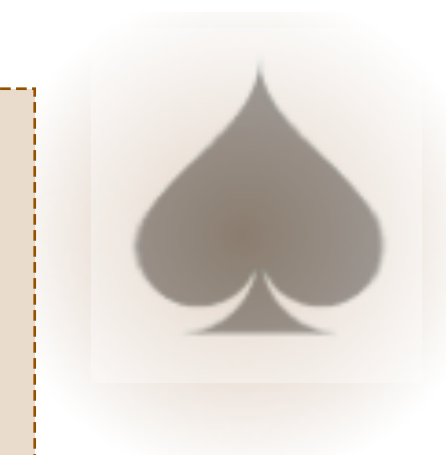

Or the onset of snow;
who hears this now?
[Edgar Anderson]

It was that little brown
book I bought
at the college bookstore

It was that book beside
the toilet you pointed at
The Act of Transferring Energy

It was this poetry
reading with Steve
and then you two
got in his car
went back
on the road and gone

It was
this and
it
was that

[For: Gary Snyder]
